# ***DOES YOUR ROOF LOOK LIKE THIS?***

**Have your roof professionally refurbished with a coating that comes with a 10 year guarantee.**

**Without the cost of replacing it!**

**Roofs do not last forever!**

# ***RESTO HAS THE SOLUTION***

## **Stage 1:**

**After a comprehensive risk assessment has been carried out the cleaning process can begin removing moss and lichen from your roof to ensure high coating absorption.**

# ***RESTO HAS THE SOLUTION***

**Stage 2:**

**Application of the antifungal wash**

# ***RESTO HAS THE SOLUTION***

Stage 3: **Cleaning work completed**

# ***RESTO HAS THE SOLUTION***

## **Stage 4:**

**We replace broken or cracked tiles and repoint cement hips, ridges and verges wherever necessary to ensure your roof is totally secure.**

# ***RESTO HAS THE SOLUTION***

## **Stage 5:**

**Cutting in by hand around gutter lines, velux and dorma windows to minimise overspray.**

# ***RESTO HAS THE SOLUTION***

Stage 6:

**The two coat application system with airless spray guns.**

# ***RESTO HAS THE SOLUTION***

**Stage 7:** A final clean-up and inspection is carried out leaving you with a protected roof for many years to come.

**Our specialised coating provides a water barrier but ultimately it still allows your roof to breath.**

**Our protective coatings come with a 10 year guarantee.**

**Restore - Protect - Preserve**
